# Theology 101 in Bite-Size Pieces

A Bird's Eye View of the  
Riches of Divine Grace

by

Judy Azar LeBlanc

Theology 101 in Bite-Size Pieces takes a fresh look at the nature of God's Power, Character and Love, and what the finished work of Christ meant to the world. It offers scripturally based answers to thought provoking questions such as what is predestination; who are the chosen, the called and the elect. The author uses everyday language to explain what it means to be justified, reconciled, forgiven and does so in bite size pieces.
