Theology 101 in Bite-Size Pieces takes a fresh look at the nature of God's Power, Character and Love, and what the finished work of Christ meant to the world in bite size portions. It offers scripturally based truths of some of the riches of His Divine Grace that include answers to thought provoking questions such as what is predestination; who are the chosen; the called, and the elect. The author uses everyday language to explain what it means to be justified, reconciled, forgiven, and offers a clear explanation of why practicing merited grace contradicts Christ's finished work on the cross and does so in bite size pieces.
